Fees and Charges

Fees and Charges for 2024-2025

In accordance with s. 608 of the *Local Government Act 1993* Council may charge and recover an approved fee for any service it provides other than a service provided, or proposed to be provided, on an annual basis for which it may make an annual charge under s. 501 of the *Local Government Act 1993*.

A list of the fees to be charged by Council for the 2024-2025 financial year is set out in the attached Schedule of Fees.

Each fee within the Schedule of Fees has been determined using one of five pricing policies (as per the table below). The pricing policy used as the basis for determining each fee within the Schedule is disclosed in the Schedule of Fees.

Categories of Pricing Policies in Respect of the Schedule of Fees

Code	Category Description
1	Price charged for this good/service is a statutory charge set by regulation.
2	Price charged for this good/service reflects benchmarked market price. Full cost of providing the goods/services plus a margin.
3	Price charged for this good/service reflects full costs to provide the goods/services. Full cost of providing the goods/services.
4	Price charged for this good/service reflects direct costs to provide the goods/services. Direct cost of providing the goods/services.
5	The price of this good/service is set at a level to make a contribution towards the cost of providing the service. With the remainder of the costs being subsidised by Council in the provision of this service.

The fees shown in the Schedule of Fees are determined after allowing for the normal inflationary growth in the cost of providing these services. However, where the fee is based on the costs of providing the service, and those costs increased extraordinarily during the year, Council reserves the right to amend the fees to recover the cost increase.

Fees levied under Category 1 are not at the discretion of Council as they are set externally by other levels of government or other State Government Departments and are subject to amendment in accordance with changes to the applicable legislation. If Category 1 fees and charges are amended after Council has adopted the 2024-2025 Fees and Charges the amended fees will not be subject to public advertisement as Council cannot determine the amount of the fee or charge, and they will be applicable from the date advised by the government authority concerned. This includes any changes to the application of GST.

Some of Council's Fees and Charges have been calculated to pass through any applicable levies or taxes from NSW State Government (for example the EPA levy on certain waste types). The Fees and Charges for 2024-2025 have been updated based on the latest information available.

Council's Authority to Waive or Amend Fees

Section 610E of the *Local Government Act 1993* allows Council to waive payment of, or reduce a fee in a particular case if it is satisfied that the case falls within a category of hardship or any other category that Council has determined it may consider waiving payment, or reducing a fee for this category.

Category	Category Description
Hardship	Where there is evidence that the payment of the fee or charge will impose unreasonable financial hardship on the applicant given their circumstances.
Charity	Where the applicant is a registered charity, and the fee is for a service that will enable the provision of charitable services.
Not for Profit	Where the applicant is an organisation that holds not for profit status and the fee is for a service that will enable the achievement of their objectives and betterment for the Central Coast community.
Commercial	To attract functions or activities to the Central Coast Local Government Area, where there is a longer-term benefit to the Central Coast community.
Natural Disaster Relief	Where the applicant has been adversely impacted as a result of a natural disaster. Waiving of any fees is subject to Council resolution.

The following principles will be considered when applying any reduction or waiver of a fee or charge:

- compliance with statutory requirements
- fairness and consistency
- integrity
- equity
- transparency
- commerciality

The Council will directly, or through delegated authority, assess and make determinations on requests for reduction or waiver of fees in accordance with the above categories.
